

Be Smart About Safety.

911

Smart911 is a free 9-1-1 service available in your community.

No one plans to call 9-1-1, but now you can plan ahead.

Sign up for Smart911 and create your own Safety Profile to give 9-1-1 valuable information about yourself, family members, your home, pets and even vehicles that will automatically display on the 9-1-1 call taker's screen when you make an emergency call. It's private and secure and you control what information is in your profile. These details can save valuable seconds or even minutes during an emergency.

Provide First Responders Vital Information:

- › A picture in case your child wanders.
- › The proper way to approach and interact with your child.
- › A safe place that your child likes to hide when frightened.
- › Any medication or allergies your child may have.
