

Be Smart About Safety

Smart911 is a free 9-1-1 service available in your community.

No one plans to call 9-1-1, but now you can plan ahead.

Sign up for Smart911 and create a Safety Profile to give 9-1-1 valuable information about yourself, family members, your home, pets and even vehicles that will automatically display on the 9-1-1 call taker's screen when you make an emergency call. It's private and secure and you control what information is in your profile. These details can save valuable seconds or even minutes during an emergency.
